

ScP Cold Chain Solution

OUR PRODUCTS

Cold Room | Cold Storage | Ripening Chamber | Blast Freezer | Solar Cold Storage | Curd Incubation Room | Seed Cold Storage | Evaporators | Condensing Units | Control panel | Puf Panels

Cooling solution that applies to utilities like :

- Ice cream & Dairy
- Hotel & Restaurant
- Pharmaceutical Industries
- Agriculture Industries
- Food Industries
- Sea Food Vendors

www.scpcold.com

COLD ROOM / COLD STORAGE

We supply 2MT to 5000MT customized cold room.

- Thermostatic Expansion Device
- CFC Free Refrigerant
- World Class Fermod Door Fitments
- High Ambient Design Refrigerator Systems
- Low Power Consumption System Design
- Fully Automatic Electric Control Panels
- Temperature Range +28°C to -35°C
- PUF Panel thk 60mm to 150 mm

RIPENING CHAMBER - BANANA / MANGO

- High CFM Evaporator Fan
- High Humidity Coil Evaporator
- Gas Based ethylene Injection Full Automatic Systems
- Air Tight Chamber with Specially Designed Door
- Fully automatic Ventilation and Exhaust Systems Automatic Ethylene Injection, Control & CO₂ Exhaust System.

BLAST FREEZER

- Blast Freezers are Standardized for use in meat Freezing and Frozen Food Industry.
- High Air Flow with High ESP
- Temperature : -10°C to -35°C
- Cost Effective Operation & Maintenance.

CONDENSING UNITS

- Capacity 2HP to 60 HP
- Air Cooled & Water Cooled Condenser Units
- Open Type & Canopy Type
- Safety Controls for Smooth Operation
- Gas : R22 / R404A / 134A

CONTROL PANEL FOR COLD ROOM

- Fully Automatic Control Panel
- RYB, Fan, Compressor, Heater LED Indicated
- Capacity 2HP + 50HP
- Single Phase Prevented
- Overload Relay
- Main MCB on/off

EVAPORATORS

- Capacity 2KW + 50KW
- Aluminium Casing
- High Efficiency Heat Exchanger
- Fan : 1300 & 2300 CFM
- Ait Electric & Hot Gas Defrost Option Available.

SERVICE

- We offer AMC (Annual Maintenance Contract) Service to take care of your machine for entire year.
- Any type of repairing can be done.
- We are bounded to provide quickly service with priority to our customers.
